### We Really DO Need Each Other!

“Make this year's WaterPro Exhibit Hall the best of all”, by signing up for some of the opportunities available this year! Sponsoring an event or break helps bring in the attendee traffic as well as partnering with NRWA to provide a value added experience for all attendees.

**Take a look at some of our new options that need YOU to help make them happen!**

### Sunday, September 17

#### REGISTRATION + RECEPTION = “REGICEPTION”

Help us kick-off the WaterPro Conference by sponsoring this networking event. Music, beverages and snacks combine to bring attendees the “REGICEPTION” event! In conjunction with “Regiception” will be the Welcome Suite, where attendees can pick up some free items provided by “exhibitor/sponsors”. Please take a look at the Sponsor Sheet included with this prospectus for more details and pricing.

### Monday, September 18

“Are You Smarter Than A Circuit Rider” Game Show which also includes a refreshment break! This is our 2nd Annual Game show which tests the knowledge of two lucky individuals who have been randomly drawn from utilities across the United States. These two individuals will rely on their teammate, a randomly drawn circuit rider, or State Association technical specialist, as they test their knowledge and compete for prizes and bragging rights! Take a look at the detailed information on the attached sheet as well.

### Tuesday, September 19

Grab and Go Networking Breakfast lets attendees carry breakfast around while visiting with Exhibitors! Sponsor logo signage in food area, and an announcement made in hall thanking the sponsor(s). Sponsors have an opportunity to lead a round table workshop discussion on solving issues submitted to NRWA for this event.
